ARE YOU AFRAID TO DIE

**Are you a stranger to God
Carried away with your pride
Tell me sinner did you ever stop to think
Are you afraid to die**

(Chorus)

**Are you afraid
Are you unsaved
Are you afraid to die**

**Call on him while he's near
Moments are swift passing by
Will you seek him where he may be found
Are you afraid to die**

**Are you too wicked to cry
Would you to God's bosom fly
Soon he's coming like a thief in the night
Are you afraid to die**

ARE YOU MISSING ME

**The day that I kissed you and told you goodbye
Your lips told me that you would wait
But your lips deceived me and told me a lie
While your heart was sealing my fate**

(Chorus)

**Are you all alone
With a memory?
Now that I am gone
Darling, are you missing me?**

**Out of the clear sky a letter then came
And just like a bolt from the blue
My castles came tumbling a I read it o'er
I still can't believe that it's true**

**It said that in spite of the vows you had made
The glitter of gold turns your head.
And while I was trying employment to find
You married another instead**

BABY GIRL

**Little girl (little girl) baby girl
She's my darling little precious baby girl
Like an angel to me and I know that he
Sent from Heaven my little baby girl**

**She's as sweet as the flowers of springtime
Her blue eyes they sparkle so bright
Just a touch of her little baby hand
Seems to guide my weary footsteps day and night**

**How those two little arms try to hold me
Her little heart's a blessing to our home
And at night when I'm far far away
As dream of her I'm never all alone**

BACK TO THE CROSS

**I'm out on the sea filled with sorrows
Tossed like a ship who ran ashore
I'm seeking the help of my saviour
By the way of the cross I must go**

**Back to the cross and to Jesus
Back to the cross I am called
I've drifted too far and I've wandered
From the saviour that once was my home**

**The sins of this world have overcome me
Have pushed and left me to roam
So I'm going to back to my saviour
Back to the cross and home**

**The joy of these life are too fleeting
And wrapped in troubles around
I've lost the church of the stranger
I've drifted too far from home**

BEFORE I MET YOU

**I thought I'd seen pretty girls in my time
That was before I met you
I never saw one that I wanted for mine
That was before I met you**

(Chorus)

**I thought I was swinging the world by its tail
I thought I could never be blue
I thought I'd been kissed and I thought I'd been loved
That was before I met you**

**I wanted to ramble and always be free
That was before I met you
I never saw one that could ever hold me
That was before I met you**

**They say a man must reap what he's sown
Darlin', I hope that's not true
For once I made plans of living alone
But that was before I met you**

BIG SPIKE HAMMER

**Can't you hear the whistle of my big spike hammer
Lord it's busting my side
I've done all I can do to keep that woman happy
Still she's not satisfied**

(Chorus)

**Hey hey Della Mae
Why do you treat me this way
Hey hey Della Mae
I'll get even some day**

**I'm the best hammer swinger on this big section gang
Big Bill Johnson is my name
Lord this hammer that I swing for a dollar and a half a day
I'll all for my Della Mae**

**Now I've been lots of places, not much I ain't done
There's still alot of things I'd like to see
Lord this hammer that I swing or the woman that I love
Yes, one's gonna be the death of me**

BIG TRAIN FROM MEMPHIS

**When I was young I spent my summer days
playing on the track.
The sound of the wheels rolling on the steel
took me out took me back**

(Chorus)

**Big train from Memphis
Big train from Memphis
Now it's gone gone gone
Gone gone gone**

**Like no one before he let out a roar
and I just had to tag along
each night I went to bed with the sounds in my head
and the dream was the song**

**Well I rode 'em in and back out again
and you know what they say about trains
But I'm tellin you when that Memphis train came through
this old world was not the same**

BLUES STAY AWAY FROM ME

**Blues stay away from me
Blues why don't you let me be
I don't know why you keep on haunting me**

**Love was never meant for me
True love was never meant for me
It seems somehow we never can agree**

**Life is full of misery
Dreams are like a memory
Bringing back your love that used to be**

**Tears so many I can't see
Years don't mean a thing to me
Time goes by and still I can't be free**

BODY AND SOUL

**See that train coming round the bend,
Carrying the one that I love
Her beautiful body is still here on earth,
But her soul has been called up above**

(Chorus)

**Body and Soul, Body and Soul,
That's how she loved me, with Body and Soul**

**Her beautiful hair was the purest of gold,
Her eyes were as blue as the sea,
Her lips were the color of summer's red rose,
And she promised she would always love me**

**Tomorrow as the sun sinks low
The shadows will cover her face
As her last sun goes down, she's laid beneath the ground
And my teardrops are falling like rain**

BRAND NEW TENNESSEE WALTZ

**Oh you have such a pretty face
You favor a girl I once knew
I imagine that she's in Tennessee
Oh Lord I should be there too.**

**But I left Tennessee in a hurry dear
The same way that I'm leaving you
For love is mainly just memories
And everyone's got them but few.**

(Chorus)

**It's a brand new Tennessee waltz
You're literally just waltzing on air
It's a brand new Tennessee waltz
With no telling who will be there**

**When I leave it'll be like I found you love
Descending victorian stairs
I'm feeling like one of your photographs
With not even you left to care.**

**Have all your passionate violins play
A tune for a Tennessee kid
Who's feeling like leaving another town
With no place to go if he did.**

CABIN IN CALORINE

**There's a cabin in the pines in the hills of Caroline
And a blue-eyed girl is waiting there for me
I'll be going back someday and for her I'll never stray
And the cabin in the hills of Caroline**

(Chorus)

**Oh the cabin in the shadows of the pines
And a blue-eyed girl way down in Caroline
Someday she'll be my wife and we'll live a happy life
In the cabin in the hills of Caroline**

**I'm packin' my grip for that long long trip
Back to the hills of Caroline
I want to see that blue-eyed girl she's the sweetest in the
world
And the cabin in the hills of Caroline.**

**And when it's late at night and the moon is shinin' bright
And the whipoorwill is calling from the hill
Then I'll tell her of my love beneath the stars above
How I love her now and I know I always will.**

CABIN ON A MOUNTAIN

**There's a cabin on a mountain far away in Tennessee
Dearest place this side of heaven and it's where I long to be
I've rambled this world over sailed upon the deep blue sea
But in a cabin on a mountain's where my heart will always be**

(Chorus)

**I said good-bye to my blue-eyed mountain sweetheart
Dearest girl in this whole wide world to me
Every night of her I'm dreamin'
In a cabin on a mountain far away In Tennessee.**

**Now my ramblin' days are over for tonight I'm on my way
To that cabin on a mountain in Tennessee so far away
I searched this wide world over sailed upon the deep blue sea
But in a cabin with my darlin's where my heart will always be**

CAROLINA STAR

**Back in the hills oh slow rollin' hills
Where North Carolina comes close to the stars
There's livin' a lady who's shinin' so high
They call her the "Carolina Star"**

**She works at the factory from Monday through Friday
She's raisin' three daughters alone
Their daddy's away, he's chasing a dream
They're waitin' for the day that he comes home**

(Chorus)

**Oh, Carolina
Even stars get lonesome now and then
Oh, Carolina
Don't you worry, he'll be comin' home again**

**He's playin' his songs in Nashville
He's pickin' for tips in a bar
He's broke and all alone, but he ain't ready to come home
He's gonna be a country singin' star**

**Sometimes she wakes up just thinking of him
She remembers him beside her in the night
While out across those hills that old moon is settled in
And those Carolina stars are shining bright**

Yes he loves you and he's comin' home again.

CASH ON THE BARRELHEAD

**Got in a little trouble at the county seat
Lord they put me in the jailhouse, for loafing on the street
When the judge heard the verdict, I was a guilty man
He said forty-five dollars, or thirty days in the can**

(Chorus)

**And that'll be cash on the barrelhead, son
You can take your choice, you're twenty-one
No money down, no credit plan
No time to chase you, 'cause I'm a busy man**

**Found a telephone number, on a laundry slip
Had a kind-hearted jailer, with a six-gun hip
He let me call long-distance, She said, "Number, please?"
No sooner than I told her, she hollered out at me**

(Chorus)

**That'll be cash on the barrelhead, son
Not part, not half, but the entire sum
No money down, no credit plan
'Cause a little bird tells me that you're a traveling man**

**Thirty days in the jailhouse, four days on the road
I was feeling mighty hungry, my feet a heavy load
Saw a Greyhound a coming, stuck up my thumb
Just as I'd been seated, the driver caught my arm**

(Chorus)

**That'll be cash on the barrelhead son
This old gray dog, gets paid to run
When engine starts, oh the wheels won't roll
That'll be cash on the barrelhead, I'll take you down the road**

CATFISH JOHN

(Chorus)

**Mama said don't go near that river
Don't be hangin' around old catfish John
Come the morning I'd always be there
Walking in his footsteps in the sweet delta dawn.**

**Let me dream of another morning
And the time so long ago
Where the sweet magnolias blossom
Cotton fields as white as snow.**

**Catfish John was a river hobo
Lived and died on the river bend
Lookin' back I still remember
I was glad to be his friend.**

**Born a slave in the town of Vicksburg
Traded for a chestnut mare
Still he never spoke in anger
Though his load was hard to bear.**

CHRISTMAS TIMES ARE COMING

**Snowflakes falling my old home is calling
Tall pines are humming Christmas time is coming.**

(Chorus)

**Can't you hear them bells ringin'
Ringin' joy to all here them singin'
Let it snow and I'll be going back to my country home
Christmas times a' coming Christmas times a' coming
Christmas times a' coming and I know I'm going home.**

**Holly's in the window home where the wind blows
Can't walk for running Christmas time is coming.**

**Home fires burning my heart's yearning
For the folks at home when Christmas time is coming.**

COLLEEN MALONE

**It's been ten years and three since I first went to sea
Since I sailed from old Ireland and home
But those hills lush and green were a part of my dreams
When I dreamed of my Colleen Malone**

**On the day I returned to my sorrow I learned
That the angels had called her away
To a grave on a hill overlooking the mill
That's the place where she's sleeping today**

(Chorus)

**As the soft breezes blow through the meadow I go
Past the mill with the moss covered stone
Up the pathway I climb through the woods and the vines
To be with my Colleen Malone**

**She was faithful each day as I sailed far away
There was no one but me that she loved
I remember those eyes soft and blue as the skies
And her heart was as pure as a dove**

**All the years of my life I will not take a wife
I will live in this valley above
Planting flowers around in this soft gentle ground
That is holding my Colleen Malone**

CORA IS GONE

**The wind through the night is blowing so lonesome
Singing to me a song
A whippoorwill call is just a reminder
Pretty girls have hearts made of stone**

(Chorus)

**I'll wake with the blues at dawn
My darling Cora is gone
I don't know why she told me goodbye
But my darling Cora is gone**

**The ring that she wears I bought for her finger
Purchased her raiment so fine
Gave her my last green back dollar
And now she's left me behind**

**Drifting along like a brush on a river
Caring not where I roam
Going to live in a deep forest
Dark hollow will be my new home**

CRY CRY DARLING

Cry cry darling

That's what I'll do If you should leave me with the blues

Cry cry darling

That's all I do cause you're the one that's in my heart

(Chorus)

For me there'll be no moonlight

If ever we should part

Cry cry darling, that's all I do

Cause you're the one that's in my heart

Cry cry darling

My eyes will cry and never dry if you should go

Cry cry darling

When shadows creep I'll just weep all night I know

(Chorus)

You know how much I'd miss you

If ever we should part

Cry cry darling

That's all I do cause you're the one that's in my heart

CRYING HOLY TO THE LORD

(Chorus)

Crying holy unto the Lord

Crying holy unto the Lord

If I could I surely would

Stand on the rock where Moses stood

Lord I ain't no stranger now

Lord I ain't no stranger now

I've been introduced to the Father and the Son

Lord I ain't no stranger now

Sinners run hide your face

Sinners run hide your face

Sinners run to the Lord and hide your face

Lord cried out "No hiding place"

DARLING COREY

(Chorus)

Dig a hole dig a hole in the meadow

Dig a hole in the cold damp ground

Dig a hole dig a hole in the meadow

Gonna lay Darling Corey down.

Well the first time I saw Darling Corey

It was the banks of the deep blue sea

Had two pistols around her body

And a banjo n her knee

(Chorus)

Wake up wake up Darling Corey

What makes you sleep so sound

Lord the highway robbers are coming

They're gonna drag your playhouse down

(Chorus)

Wake up, wake up Darling Corey

And go get me my gun

I'm not a man for trouble

But I'll die before I'll run

(Chorus)

DIM LIGHTS, THICK SMOKE

(Chorus)

**Dim lights, thick smoke, and loud, loud music
Is the only kind of life you'll ever understand
Dim lights, thick smoke and loud, loud music
You'll never make a wife to a home-loving man**

**A home and little children mean nothing to you
A house filled with love and a husband so true
You'd rather have a drink with the first guy you meet
And the only home you'll know is the club down the street**

**A drinking and dancing to a honky tonk band
Is the only kind of life you'll ever understand
Go out and have your fun, you think you've played it smart
I'm sorry for you and your honky tonk heart**

DOG HOUSE BLUES

**I went downtown thought I had a dime
Got home this morning didn't have a dime
Lordy Lordy Lordy got the dog house blues
No use talkin' I got the dog house blues.**

**Come home this morning about half past eight
She said honey you're out too late
Lordy Lordy Lordy got the dog house blues
No use talkin' I got the dog house blues.**

**I went in the house to start the fire
She kicked me out in the middle of the night
Lordy Lordy Lordy got the dog house blues
No use talkin' I got the dog house blues.**

**I fell in the yard mad as I can be
Said to my dog make room for me
Lordy Lordy Lordy got the dog house blues
No use talkin' I got the dog house blues.**

DOING MY TIME

**On this old rock pile with a ball and chain
They call be by a number not a name, Lord, Lord
Gotta do my time, gotta do my time
With an aching heart and worried mind**

**When that old judge looked down and smiled
He said I'll put you on that good road for a while, Lord Lord
Gotta do my time, gotta do my time
With an aching heart and a worried mind**

**You can hear my hammer you can hear my song
I'll swing it like John Henry all day long, Lord Lord
Gotta do my time, gotta do my time
With an aching heart and a worried mind**

**It won't be long, just a few more days
I'll settle down and quit my rowdy ways Lord Lord
with that gal of mine, with that gal of mine
She'll be waiting for me when I've done my time**

DON'T LET YOUR DEAL GO DOWN

**Well, I've been all around this whole wide world
Been down to sunny Alabam
My mama always told me, Son
Never let your deal go down**

(Chorus)

**Don't let your deal go down
Don't let your deal go down
Don't let your deal go down
Till your last gold dollar is gone**

**Well, the last time I seen that gal of mine
She was standing in the door
She said honey I'll be a long time gone
You'll never see your gal no more**

**Well, I'm going sown the railroad track
Gonna take my rocking chair
If there doggone blues don't leave my mind
I'm gonna run away from here**

DOOLEY

**Dooley was a good old man
He lived below the mill
Dooley had two daughters and a forty gallon still
One gal watched the boiler the other watched the spout
Mama corked the bottles when old Dooley fetched them out**

(Chorus)

**Dooley, slipping up the holler
Dooley, trying to make a dollar
Dooley, give me a swaller and I'll pay you back some day**

**The revenueers came for him a slipping through the woods
Dooley kept behind them all and never lost his goods
Dooley was a trader when into town he'd come
Sugar by the bushel and molasses by the ton**

**I remember very well the day old Dooley died
The women folk looked sorry and the men stood A'round
and cried
Now Dooley's on the mountain he lies there all alone
They put a jug beside him and a barrel for a stone**

DOWN WHERE THE RIVER BENDS

**Its hard to keep tears out of my eyes
This might be our last goodbye
Our country calls you to defend a great land
So do your part just like a man**

(Chorus)

**Down where the river bends
With god's help we'll meet again
Under the same old sycamore tree
Proud of each other and the land of the free**

**I go down to the ocean blue
Its just as close as I came to you
This old ocean might keep us apart
But it won't keep you dear out of my heart**

**If the worst should happen and the poppies should wave
Over your far distant, lonely grave
All the rest of my life I'll spend in prayer
I'll meet you in heaven there'll be no war there**

DRIVING NAILS IN MY COFFIN

**My sweetheart is gone and I'm so lonely
She said that she and I were through
I started out a-drinking for a past time
Driving nails in my coffin over you**

(Chorus)

**I'm driving nails in my coffin
Even time I drink a bottle of booze
I'm just driving nail in my coffin
Driving nails in my coffin over you**

**Now ever since the day that we parted
I've been so sad so blue
I can't help thinkin' about her
And I just can't quit drinkin' that old booze**

**Well you turned me down you don't want me
There's nothing more I can do
I'll be driving nails in my coffin
Worrying' my darlin' over you**

EACH SEASON CHANGES YOU

**It was springtime when I found you like a flower
And our love grew warmer with the summer sun
In the fall I soon could see your love was changing
Broke my heart to see what wintertime had done**

(Chorus)

**Like the weather your heart changes with each season
Springtime, summer, fall, and winter too
Though I know I'll never understand the reason
I still wonder why each season changes you**

**Come spring, you said that you were sorry
And the summer brought a golden memory
In the fall again, I saw your love was changing
And the winter brought the same old misery**

EIGHT MORE MILES TO LOUISVILLE

**I've traveled o'er this country wide seeking fortune fair
Up and down the two coast lines I've traveled everywhere
From Portland East to Portland West back along the line
I'm going now to the place that's best that old hometown of mine**

(Chorus)

**Eight more miles and Louisville will come into my view
Eight more miles on this old road and I'll never more be blue
I knew some day that I'd come back I knew it from the start
Eight more miles to Louisville the hometown of my heart**

**There's bound to be a gal somewhere that you like best of all
Mine lives down in Louisville she's long and she is tall
But she's the kind that you can't find a traveling through the land
I'm on my way this very day to win her heart and hand**

**Now I can picture in my mind a place we'll call our home
A humble little hut for two we'll never want to roam
The place that's right for that love sight is in those bluegrass hills
Where gently flows the Ohio by a place called Louisville**

FADED LOVE

**As I look at the letters that you wrote to me
It's you that I'm thinking of
As I read the lines that to me were so sweet
I remember our faded love**

**I miss you darling more and more every day
As heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded love.**

**As I think of the past and all the pleasures we had
As I watch the mating of the dove
It was in the springtime that you said good-bye
I remember our faded love.**

FIELDS HAVE TURNED BROWN

**I left my old home to ramble this country
My mother and dad said son don't go wrong
Remember that God will always watch o'er you
And we will be waiting for you here at home**

(Chorus)

**Son don't go astray was what they both told me
Remember that love for God can be found
But now they're both gone this letter just told me
For years they've been dead, the fields have turned brown**

**For many long years this world I have rambled
No thoughts of the day when I would return
Now as I go home and find no one waiting
The price I have paid to live and to learn**

FORTY YEARS OF TROUBLE

**Forty years I've been gone
I served my time it's been so long
I took a life I know it was wrong
I served my time lord knows I'm going home**

(Chorus)

**Shackled to a ball and chain
I worked in the snow I worked in the rain
I laid the tracks never rode the train
Forty years of suffering forty years of pain**

**I had a wife and a little queen
I've had a son I've never seen
All I have left now it seems
Is a broken heart and broken dreams**

**Now I'm old, I've done my time
Ain't nothin left but to sit and pine
Nobody here even knows my name
I have no one but myself to blame**

FREE BORN MAN

**I was born in the Southland
Twenty some odd years ago
I ran away for the first time
When I was four years old.**

(Chorus)

**I'm a free-born man
My home is on my back
I know every inch of highway
Every foot of back road every mile of railroad track**

**I got a gal in Cincinnati
Got a women in San Antone
I always love the girl next door
But anyplace is home.**

**I got me a worn out guitar
I carry an old tote sack
I hocked it about two hundred times
But I always get 1 back**

**Well you may not like my appearance
You may not like my song
You may not like the way I talk
But you like the way I'm gone**

FREIGHT TRAIN BOOGIE

**Casey Jones he was a mighty man
But now he's resting in the promised land
The kind of music he could understand
Was an eight wheel driver under his command**

(Chorus)

**He made the freight train boogie
All the time
He made the freight train boogie
As he rolled down the line**

**When the fireman started ringing the bell
Everybody on the line could tell
Casey Jones was a coming to town,
On an 8-wheel driver that was burning 'em down**

GINSING SULLIVAN

**About three miles from the back town yard
The river curves on down
Not far south of the town depot
Sullivan's shack was found
Up on the higher ground.**

**You could see him every day
Just walking down the line
With his old brown sack across his back
Long hair down behind
Speaking his worried mind.**

(Chorus)

**It's a long way from the delta to the North Georgia hills
A tote sack full of ginseng won't pay my travelling bills
I'm too old to ride the rails I'll bum the road alone
So I guess I'll never make it back to home
My muddy water Mississippi Delta home.**

**The winters here they get too cold
The damp it makes me ill
Can't dig no roots on the mountain side
With the ground froze hard and still
Gotta stay at the foot of the hill.**

**But next summer
things turn right
The companies will pay high
I'll make enough money to pay my bills
Bid these mountains goodbye
Then he said with a sigh.**

GONNA LAY DOWN MY OLD GUITAR

(Chorus)

**I'm gonna lay down my old guitar
Gonna lay down my old guitar
Oh I wish I could tie it to my side
And take it along with me**

**There's no one to cry for me
There's no one to cry for me
I've wandered so far away don't you see
And there's no one to cry for me**

**I'm sick in a lonesome bed
I'm sick in a lonesome bed
There's no one to hold my aching head
And I'm sick in a lonesome bed**

**I'm telling this world goodbye
I'm telling this world goodbye
I'm telling the world and my dear little girl
I'll soon tell them all goodbye**

GONNA SETTLE DOWN

**Tonight I'm all alone no place to call my own
Don't have no one to love me anymore
I'm gonna pack up my grip and take a long long trip
Back to the one that I love so**

(Chorus)

**Oh I long to go back to my darling
Back to the one I love so well
I know she'll be my wife and we'll settle down for life
Cause she's the one that means the world to me**

**I can't forget the day I left and went away
You told you me I'd be sorry some old day
I found it to be true so I'm heading back to you
Sweetheart I'm tired and I want to settle down**

**When I get back to her my rambling days are over
We'll build a little cottage on the hill
We'll think of days gone by sweetheart just you and I
And there we'll live so happy ever more**

GOOBYE OLD PAL

**Along about round-up time In Texas way out West
I lost a friend and a pal, boys I laid him down to rest
I weeped and moaned over his grave and to me boys it was sad
'Cause I knew down beneath that mound lay the best pal I ever
had**

Oh de lady a, de oh lady oh, de ladie

**My best pal was my old paint horse and now he's gone to rest
I laid him down beneath that mound in Texas away out West
Where the cactus blooms over his grave and the coyotes cry
I know he sleeps in perfect peace beneath the Texas sky**

**Dear old pal it breaks my heart to leave you here alone
Now I'll go and ride the range on the Texas roan
But my love for you old pal it shall linger on
I will always think of you although you're dead and gone**

GRADN OLE OPRY SONG

**Come and listen to my story if you will I'm gonna tell
About a gang of fellars down at Nashville

We can't forget Hank Williams with his Good Lord Lovesick

**It's time for Roy Acuff go to Memphis on his train
Minnie Pearl and Rob Brassfield with Lazy Jim Day
Turn on your radio I know that you will wait
Hear Little Jimmy Dickens sing 'Take An Old Cold Water and
Wait'**

**There'll be guitars and fiddles and banjo pickin' too
Bill Monroe singing out them Old Kentucky Blues
Ernest Tubb's number Two Wrongs Won't Make a Right
At the Grand Ole Opry every Saturday night**

**There is Uncle Dave Macon his gold tooth and plug hat
Cowboy Copas singing Tragic Romance
Signed Sealed and Delivered with Sam and Curt McGee
And the master of ceremony is the Mr. George D. Hay**

**There is Lonzo and Oscar a-poppin' bubble gum
George Morgan singing Candy Kisses yum yum
Got a hole in my bucket bringing in that Georgia mail
We'll play the Bluegrass Breakdown and dance to the Chicken
Reel**

**You can talk about your singers in all kinds of way
But none could sing the old songs like Bradley Kincaid
With his old hound dog Buitar and the famous 'Blue tail fly'
Stringbean and Hank Snow and fiddlin' Chubby Wise**

HALLELUJAH I'M READY

(Chorus)

**Hallelujah (I'm ready) I'm ready (Hallelujah)
I can hear the voices singing soft and low
Hallelujah (I'm ready) I'm ready (Hallelujah)
Hallelujah I'm ready to go**

**In the darkness of night not a star was in site
On a highway that leads down below
But Jesus came in and saved this soul from sin
Hallelujah I'm ready to go**

**Sinners don't wait before it's too late
He's a wonderful Savior you know
Well I fell on my knees and he answered my pleas
Hallelujah I'm ready to go**

HANDSOME MOLLY

**Well I wish was in London
Or some other seaport town
Step my foot in a steamboat
And sail the ocean round**

(Chorus)

**Sailing round the ocean
Sailing round the sea
I'd think of Handsome Molly
Wherever she may be**

**I saw her at church last Sunday
She passed me on by
I knew her mind was changing
By the roving of her eye**

**Her hair as black as a Raven's
Her eyes were black as coal
Her teeth shown like lilies
Out in the morning cold**

**Now do you remember Molly
When you give me your right hand
Said if you ever married
I'd be your man**

**Now you've broke your promise
Go marry whom you please
My heart is broken
'Til I get some ease**

HARD HEARTED

(Chorus)

**Hard hearted heart breaker
Dream stealer, love maker
Hard hearted heart breaker
How many hearts have you broken today**

**How many hearts have you broken today
How many lives have you caused to go wrong
How many hearts have you broken in two
Just because your heart has proved untrue**

**How many lies have you told other guys
Just like the ones you told to me
Honey, someday you'll learn that the tide will have to turn
Just keep on breaking hearts and you will see**

HEAVY TRAFFIC AHEAD

**On Saturday night when our work is done
We load our music up on the run**

(Chorus)

**Heavy traffic ahead, heavy traffic ahead
We got to ramble ramble there's heavy traffic ahead**

**We pull out of Nashville right on time
The Blue Grass special heads down the line**

**We traveled around from state to state
The Bluegrass boys are never late**

**Late in the evening about sundown
You know we've come from some other town**

**We do our work with a good will
On Friday night we head for Nashville**

HELLO CITY LIMITS

(Chorus)

**Hello, city limits, I see your sign
Left all my worries way behind
Left all my troubles and heartaches there too
Hello, city limits, I'm starting out brand new**

**I need a change of scenery, I need it real bad
To help me forget all the hard times I've had
I've got a feeling I'll find a love that's true
Well, hello city limits, I'm starting out brand new**

**I haven't told a soul just where I'm gonna be
Cause I don't want the blues to catch up with me
I may decide to change my name too
Hello city limits, I'm starting out brand new**

HIGH ON A MOUNTAIN

**As I looked at the valleys down below
They were green just as far as I could see
As my memory returned oh how my heart did yearn
For you and the day that used to be**

(Chorus)

**High on a mountain top wind blowing free
Wondering about the days that used to be
High on a mountain top standing all alone
Wondering where the years of my life have flown**

**Oh I wonder if you ever think of me
Or if time has blotted out your memory
As I listen to the breeze blow gently through the trees
I'll always cherish what you meant to me**

HIT PARAD OF LOVE

From what I've been a hearing dear you've really got it made

**You've got a lot of fellers on your lover's hit parade
If I can't be your number one I don't know what I'll do
Gonna be plumb up to the top I'm so in love with you**

(Chorus)

**On the hit parade of love I know I'll never stop
I've got a long long way to climb before I reach top
But if I do get there soon I'd really have it made
Then I'll know I'm number one your lover's hit parade**

**Now it's your heart I'm after 'cause it's so nice and kind
Another one to take your place would sure be hard to find
So put your arms around me dear and be my turtle dove
Then I'll feel like I'm number one on your hit parade of love**

**Now if we work together like all good lovers should
We can make a go of it everything will turn out good
We will can so much fun we'll really have it made
Then I'll know I'm number one on your lover's hit parade**

(Chorus)

**Hold whatcha got, I'm a-coming home baby
Hold whatcha got, and I don't mean maybe
Been a-thinking about you and I'm on my way
Don't sell the house, and don't wreck the car
Stay there, honey, right where you are
Hold whatcha got, I'm a coming home to stay**

**Well... in my mind I can see
That's a pretty good sign that I need you
That's why I can't wait to get back home
So squeeze yourself real good and tight
I'll be there before daylight
If you hold whatcha got, I'm a coming home to stay**

**Well... when I get back, honey, I ain't leaving
I been too long, a little too much grieving
When I get back this time I'm going to stay
Well we won't fuss and we won't fight
This time things is gonna be all right
If you hold whatcha got, I'm a-coming home to stay**

HONEY YOU DON'T KNOW MY MIND

**Honey you don't know my mind I'm lonesome all the time
Born to lose a drifter that's me
You can travel for so long then a rambler's heart goes
wrong
Baby you don't know my mind today**

**Heard the music of a rail slept in every old dirty jail
And life's too short for you to worry me
When I find I can't win I'll be checking out again
Baby you don't know my mind today**

**I've been a hobo and a tramp my soul has done been
stamped
Lord things I know I learned the hard hard way
I ain't here to judge or plea but to give my poor heart ease
Baby you don't know my mind today**

**Honey you don't know my mind I'm lonesome all the time
Born to lose a drifter that's me
You say I'm sweet and kind I can love you a thousand times
Baby you don't know my mind today**

HOT CORN COLD CORN

(Chorus)

Hot corn cold corn bring along the demijohn

Hot corn cold corn bring along the demijohn

Hot corn cold corn bring along the demijohn

Fare thee well Uncle Bill see you in the morning yes sir

Well it's upstairs downstairs out in the kitchen (3x)

See you Uncle Bill just a raring and a pitching yes sir

Well it's old Aunt Peggy won't you fill 'em up again (3x)

Ain't had a drink since the lord knows when yes sir

**Well yonder comes the preacher and the children are a

Chickens a running and the toenails a flying yes sir

I AM A PILGRIM

(Chorus)

**I am a pilgrim and a stranger
Traveling through this wearisome land
And I've got a home in that yonder city, good Lord
And it's not (good Lordy it's not) not made by hand**

**I got a mother, a sister and a brother
Who have gone to that sweet home
And I am determined to go and see them, good Lord
Over on (good Lordy over on) that distant shore**

**As I go down to that river Jordan
Just to bathe my weary soul
If I could touch but just the hem of His garment, good Lord
I believe (good Lordy I believe) that it would make me whole**

**Now when I'm dead, laying in my coffin
All of my friends all gather round
They can say that he's just laying there sleeping, good Lord
Sweet peace (Lordy sweet peace) his soul is found**

I AM THE MAN, THOMAS

(Chorus)

**Oh, I am the Man, Thomas, I am the Man
Look at these nail scars here in my hands**

**They pierced me in the side, Thomas, I am the Man
They made me bear the cross, Thomas, I am the Man**

**They laid me in the tomb, Thomas, I am the Man
In three days I arose, Thomas, I am the Man**

**They pierced me in the Side, Thomas, I am the Man
They made me bear the cross, Thomas, I am the Man**

I FEEL THE BLUES MOVING IN

**Though the miles are between us, I thought our love would
strengthen**

As it had, so many times before

**But something has happened, I can see it in your writing
I can tell my world is crumbling and the blues are at my
door**

(Chorus)

The last letter that you wrote was on a blue piece of paper

That old feelings back, the clouds are moving in

The beginning of the end is near I feel your love is fading

In the darkness, it seems I have no friend

I feel the blues moving in

**Oh it's not the words you wrote that left me sad and broken
hearted**

Or put me in this sad shape I'm in

**Between the lines and mixed emotions are the teardrops on
the paper**

**You said that's all I write you now I'll close for now old
friend**

My state of mind is desperate as the hole that I'm sinking in

Gets deeper while I'm digging to get out

**Oh please give me the right answer to the question I'm
asking**

Tell me you still love me it would turn my world around

I HAVEN'T SEEN MARY IN YEARS

**While walking one day in the country, saw a gathering crowd
And as my footsteps drew me closer
I smelled the sweet fragrance of flowers**

**It looking like a family reunion,
had my eyes not counted the tears
And an old man sat by a graveyard, I haven't seen Mary in years**

**Hold to my hand and lead me, Lead me away from here
I just brought these flowers for Mary
I haven't seen Mary in years**

**When Mary and I were first married
we had such plans for our child
But for no reason I started rambling
and like the four winds I just went wild**

**If I could live my life over, I would bring Mary such cheer
Now she's gone where she'll never meet me
I haven't seen Mary in years**

**Then the old man left the graveyard
and I walked right by his side
I called his name but through all his shame
his son he did not recognize**

**Hold to my hand and lead me, lead me away from here
How could I know it was Mama, I haven't seen Mary in years**

I HEAR A SWEET VOICE CALLING

**Our little girl taken sick one evening
As she walked home from school
And in her death bed soon bring her
It made us so sad and so blue**

**Then she called me close to her bedside
And whispered these words soft and low,
"Tell Mommy to come to me quickly,
I want to kiss you both then go"**

(Chorus)

**I hear a sweet voice calling
Way up in heaven on high
God has made room for you daughter,
Oh Mommy and Daddy don't cry**

**Take care of my little brother
Tell him I've gone to rest
I know his little heart is broken
He's all that you have left**

**Then she closed her eyes forever
Never to see us no more
Until we meet our darling
On that bright and peaceful shore**

I HEAR A VOICE CALLING

(Chorus)

**I hear a voice calling
It must be our Lord (it must be our Lord)
Its coming from heaven on high
I hear a voice calling
I've gained a reward (I've gained a reward)
For the land where we never shall die**

**The savior who died, on cruel Calvary
He shed His life blood that the world might be free
So follow His footsteps, up the narrow way
And be ready to meet Him when He calls on that day**

**The savior has paid a great price for me
He gave His life on Calvary
So I'll follow His footsteps up the narrow way
I'll pay my debt on the great judgment day**

**Then she closed her eyes forever
Never to see us no more
Until we meet our darling
On that bright and peaceful shore**

I WONDER WHERE YOU ARE TONIGHT

**Tonight I'm sad my heart is weary
Wondering if I'm wrong or right
To think about you though you left me
I wonder where you are tonight**

(Chorus)

**The rain is cold and slowly falling
Upon my window pane tonight
And though your love seems even colder
I wonder where you are tonight**

**Your heart was cold you never loved me
Though you often said you cared
And now you've gone to find another
Someone who knows the love I shared**

**Then came the dawn the day you left me
I tried to smile with all my might
But you could see the pain within me
That lingers in my heart tonight**

I WISH YOU KNEW

(Chorus)

**I wish you knew how hard I've tried to tell you
How hard I've tried to get you off my mind
I wish you knew how hard I've tried to sleep at night
Since I know that you're no longer mine
Since you let another beat my time**

**If only half the things were true you say about my heart
Then I would have forgotten you since we've been apart
You said I forced my lips to kiss you when we said goodbye
You even said I forced the tears that came into my eyes**

**There's not a thought that could be worse than knowing
that you're gone
But in the picture in your mind I'm never all alone
You see me in another's arms just like I've been with you
By the way I cry for you each night I only wish you knew**

I'LL JUST PRETEND

**You spurned the love I gave you darling
A love you once was proud to own
Your found someone who you love better
And in my dreams I walk alone**

(Chorus)

**I'll just pretend that I don't love you
I'll just pretend that I don't care
And when I meet you face to face dear
I'll turn my head I'll just pretend**

**Those happy hours we spent together
Forever in my heart will live
That's all I have for each tomorrow
For we will never meet again**

**I'll try my best to forget you
To love you now is such a sin
And as I'm facing all my fears, dear
They'll understand I won't pretend**

I'LL MEET YOU IN CHURCH SUNDAY MORNING

**On Sunday when the church bells start ringin'
They're ringin' for you and for me
Let's all gather 'round at the alter
And pray that our souls may be free**

(Chorus)

**I'll meet you in the church Sunday mornin'
And we'll all kneel down and pray
We'll pray to our Lord up in heaven
To guide us safe home on our way**

**It's a place where we all meet on Sunday
To worship our Lord up above
And let all our sins be forgiven
And meet with our loved ones above**

**In heaven I hear a voice callin'
From the land where there's no endless days
Let's all be prepared to meet Jesus
the path is narrow too at home far away**

I'LL STAY AROUND

**Now you just told me that you're leaving
On the next train coming down
I love you dear but I won't follow
I just think I'll stay around**

(Chorus)

**For I know someday you'll want me
When your true love can't be found
But if you go dear I won't follow
I just think I'll stay around**

**You know my dear I'll always love you
And I'd never let you down
But if you go dear I won't follow
I just think I'll stay around**

**Someday you'll hear that whistle blowing
On the special coming down
You'll be looking for me baby
But I may not be around**

I'LL TAKE THE BLAME

**I've slipped around, dear, two-timing you
Having fun now, like some guys do
But now I'm sorry and now I'm true
Forgive me, darling, its up to you**

(Chorus)

**Well I don't blame you if you two-time, too
Because I'm guilty for the things I do
I've slipped around, love, played every game
And if you leave me I'll take the blame**

**I ain't got much money, I'm just a pauper guy
Trying to go on, dear without your love, I'll die
So please don't leave me, whatever you do
Just squeeze me, darling, while I'm loving you**

I'M GOING BACK TO OLD KENTUCKY

(Chorus)

**I'm going back to old Kentucky
There to see my Linda Lou
I'm going back to old Kentucky
Where the skies are always blue**

**When my left old Kentucky
Linda kissed me and she cried
I told her that I would not linger
I'd be back by and by**

**Linda Lou is she is a beauty
Those pretty brown eyes I loved so well
I'm going back to old Kentucky
Never more to say farewell**

**Linda Lou you know I love you
I long for you each night and day
When the roses bloom in old Kentucky
I'll be coming back to stay**

IT'S MIGHTY DARK TO TRAVEL

(Chorus)

**It's mighty dark for me to travel
For my sweetheart she is gone
The road is rough and filled with gravel
But I must journey on and on**

**To me she was a little angel
Sent down to me from God above
And on the day that I first met her
Then I told her of my love**

**Many a night we strolled together
Talking of our love so fair
My love for her will never vanish
Oh I know I'll meet her there**

**Traveling down this lonesome highway
Thinking of my love who's gone
Knowing soon we'll be together
She's the only love I've known**

I'VE GOT THAT OLD FEELING

**No matter what I say or do
I just can't seem to get inside your heart
What have I done wrong
Lately you're so far away
You just don't seem to hold me like you use to
Somethin's goin' on**

(Chorus)

**I've got that ol' feelin' you're leavin'
I'm so tired of good-bye
I can't wait on your love forever
While you change your mind**

**Mornin' finds us face to face
I feel you starin' through me while I'm talkin'
What's come over you
Familiar looks I recognize
The same ol' looks that said good-bye the last time
Somethin' I'm use to**

JIMMIE BROWN THE NEWSBOY

**I sell the morning paper sir
My name is Jimmie Brown
Everybody knows me
I'm the newsboy of the town**

**You can hear me yelling "Morning Star"
Walking on the street
Got no hat upon my head
No shoes upon my feet**

**Never mind sir how I look
Don't swear at me and frown
I sell the morning paper sir
My name is Jimmie Brown**

**I'm awful cold and hungry sir
My clothes are mighty thin
Wander about from place to place
My daily bread to win**

**My father was a drunkard sir
I've heard my mother say
I am helping mother sir
As I journey on my way**

**My mother always tells me sir
I've nothing in the world to lose
I'll get a place in heaven sir
To sell the gospel news**

JULIANNE

**Julianne what are you doing, making plans on leaving me?
Have I made your life unhappy, is this how it's got to be?
Will you be here in the morning when the rooster starts to
crow?**

**Will my tears be all that's called for Julianne? I've got to
know**

(Chorus)

**Dress yourself in silk and satin, put some ribbons in your
hair**

**But don't say you're gonna leave me, it's more than I can
bear**

**Go and have your night of dancing if you like those country
songs**

But when all the fun is over, Julianne, come on home

**Julianne, you know I love you, I can't live my life alone
Is there some way I can please you, tell me what could keep
you home**

**I've got no gold and silver, got no diamonds for your hand
All I have is love, this love I'll give you Oh, I need you,
Julianne**

LET THE CHURCH ROLL ON

(Chorus)

Let the church roll on (oh my lord)

Let the church roll on (oh my lord)

Let the church roll on (oh my lord)

Let the church roll on

There's a deacon in the church (oh my lord)

And he won't do right (oh my lord)

And let the church roll on

There a drunkards in the church (oh my lord)

And he won't do right (oh my lord)

What shall we do take some water and wash it off

And let the church roll on

(all duet)

I(G)

I can't answer her letter

V(D7)

For she left me no address

I(G)

You should know, my little darling

V(D7)

I(G)

You left my poor heart in distress

(Chorus)

I got a letter from my darling

She said she hated to go

It broke my heart the words she wrote me

She closed by saying+I love you so

She wrote the words she knew would hurt me

She said I never could be true

I've tried I've tried my little darling

To prove my love was just for you

This letter meant goodbye forever

Though we'll have each other's hearts

Our love will fade away in sadness

Precious one why did we have to part

LITTLE BIRDIE

(Chorus)

**Little birdie, little birdie
Come and sing me you song
Got a short time to stay here
And a long time to be gone**

**I'm a long way from old Dixie
And my old Kentucky home
Now my parents are both dead and gone
Have no place to call my home**

**Now I'd rather be a sailor
Way out upon the sea
Then to be at home a married man
With a baby on my knee**

**For the married man he sees trouble
And the single boy sees none
I expect to live single
Til my days on earth are done**

**Now I'd rather be in some dark hollow
Where the sun don't ever shine
Then to see you love another
When you promised to be mine**

LITTLE DARLING PAL OF MINE

**In the night, while you lay sleeping
Dreaming of your amber skies
Was a poor boy broken hearted
Listening to the winds that sigh**

(Chorus)

**My little darling, oh how, I love you
How I love you, none can tell
In your heart you love another
Little darling, pal of mine**

**Many a day, with you I've rambled
Happiest hours, with you I've spent
For I had your heart forever
But I find it's only lent**

**There is just three things I wish for
That's my casket, shroud and grave
When I'm dead, don't weep for me
Just like those lips that you betrayed**

LITTLE GIRL AND THE DREADFUL SNAKE

**Our darling wandered far away while she was out at play
Lost in the woods she couldn't hear a sound
She was our darling girl the sweetest thing in all the world
We searched for her but she couldn't be found**

(Chorus)

**I heard the screams of our little girl far away
Hurry Daddy there's an awful dreadful snake
I ran as fast as I could through the dark and dreary woods
But I reached our darling girl too late**

**Oh I began to cry I knew that soon she'd have to die
For the snake was warning me close by
I held her close to my face she said daddy kill that snake
It's getting dark tell mommy goodbye**

**To all parents I must say don't let your children stray away
They need your love to guide them along
Oh God I pray we'll see our darling girl some day
It seems we still can hear her voice around our home**

LONSOME PINES

**THERE'S A PATH BACK IN THE MOUNTAINS
THAT ONE ROOM HOUSE WHERE I WAS BORN
EVEN NOW THE MEMORIES LINGER
MY MAMA'S SMILE SO SOFT AND WARM**

(Chorus)

**LONESOME PINE I CAN HEAR YOU CALLIN'
CALLIN' ME BACK TO MY HOME
WHERE THE FOX AND HOUND THROUGH THE HILLS ARE
ROAMIN'
LONESOME PINE CALLIN' ME BACK HOME**

**IT'S BEEN SO LONG SINCE I LEFT THAT CABIN
IN SEARCH OF WEALTH FORTUNE AND FAME
AND LATE AT NIGHT WHEN I'M ALONE AND LONELY
I STILL HEAR MY DADDY CALL MY NAME**

**SOMEDAY SOON I'M A GONNA TRAVEL
BACK TO THE LAND THAT I LOVE BEST
IN THE STILLNESS OF THE MOUNTAINS
I WILL FIND SWEET PEACE AND REST**

MANSION ON THE HILL

**Tonight down here in the valley
I'm lonesome and oh how I feel
As I sit here alone in my cabin
I can see your mansion on the hill**

**Do you recall when we parted
The story to me you revealed
You said you could live without love dear
In your loveless mansion on the hill**

**I've waited all through the years love
To give you a heart true and real
'Cause I know you are living in sorrow
In your loveless mansion on the hill**

**The lights shine bright from your window
The trees stand so silent and still
I know you're alone with your pride dear
In your loveless mansion on the hill**

MATTERHORN

**We started out from Bern one sunny August morn
There was just the four of us against the Matterhorn
There was Albert the Australian and John the Irishman
Me and Bill from Britain, mad dogs in the sun**

(Chorus)

**Matterhorn, Matterhorn
Men have tried and men have died to climb the Matterhorn
That mighty Matterhorn**

**Two miles up we lost John and our rations fell below
Now Al and Bill are lying beneath an avalanche of snow
Now here I am alone and I know I cannot stop
Two more yards in front of me before I reach the top**

**Now here I am a dying upon the Matterhorn
Not a thing for me to lie in or a thing to keep me warm
The Queen would surely knight me if I could get back down
But it's closer here to heaven than it is back to the ground**

In the Midnight Moonlight Moonlight

With no hope for tomorrow in the setting of the sun

And the ocean is howling with things that might have been

**And that last good-morning sunrise would be the brightest
you've ever seen**

I rode my horse in many strange lands
But then one day I stopped for awhile
For two blue eyes and a sunny smile.**

I hear your sad and lonesome song
It's calling me back to old Montana

For mother and father had both passed away
We followed our mother up to the graveyard
For mother was called to heaven that day**

Mother is sleeping way back the mountains
Yes mother is sleeping way back in the hills**

For it blends with the feeling that's in me

I don't know where I'll go or where I'll wind up
Just anything to ease my worried mind**

And the blue-eyed girl way down in Caroline
Someday she'll be my wife and we'll live a happy life
In a cabin in the hills of Caroline**

Back to the hills of Caroline
I want to see that blue-eyed girl, she's the sweetest in the
world
And the cabin in the hills of Caroline**

Ain't no one saying that I ain't wrong
His mind's made up, gonna stay that way

My whole life's been one big fight

I dug on your grave the biggest part of last night**

**Oh she knelt down before him a pleading for her life
She knelt down before him a pleading for her life
Let me be a single girl if I can't be your wife**

**So meet me tonight love oh meet me
Meet me out in the moonlight alone
For I have a sad story to tell you
Must be told in the moonlight alone.**

**I have a great ship on the ocean
All mounted in silver and gold
And before my little darling would suffer
That ship would be anchored and sold**

**IA'll be carried to the new jail tomorrow
Leaving my poor sweetheart alone
With these cold prison bars all around me
And my head on a pillow of stone**

**If I had the wings of an angel
Over these prison walls I would fly
I would fly to the arms of my darlin
And there IA'd be willing to die**

All over the dial
With a solid kick and a red hot lick
And some Tennessee style**

**Well early in the mountain when the sun comes up
I pull the cork from the jug and I take a little sup
If the sun keeps a-shining I'll plow the corn
If it stars to rain I'll just grind it in the barn**

**Well I call my gal on the telephone
What you doing honey are you all alone
Come on over about an hour or so
And we'll both do the boogie by the radio**

I got brand new clothes I got money to spend
And everbody asks me where we play
The radio boogie's all they can say**

SOMEHOW TONIGHT

(Chorus)

**Somehow tonight I feel lonely my darling
Somehow tonight I feel blue
Somehow tonight these tears of mine keep falling
Come back sweetheart and be true**

**I thought you're love was something I could treasure
To brighten my pathway through the years
Now all I can see is darkness in the future

Until I watched you walk away
I long to hear you whisper that you love me
I can't forget our happy days**

And Autumn leaves have turned to brown
I loved you so, but I can't have you

Its best if we, stay far apart
You brought me pain, no joy no laughter
Stay away from me, you're breaking my heart**

SUGAR COATED LOVE

I took a bite and then I looked to see what I had ate
I found I had a cinder all covered up in white
That old sugar coated love is something I can't bite**

**You say you are leaving me for another man
He has all the wealth and charm and not my kind of brand
Baby I fell down on my knees a pleading for your love
Can't understand what I saw in a sugar coated love**

**You called me your sugar plum, your baby and your pet
Said I was your Romeo and you my Juliet
I thought you were my angel, my little sugar dove
You sure had me fooled, babe, with that sugar coated love**

home**

To see the only one I ever loved

Now the room is shining bright it lights my pathway tonight

Oh I know she waits for me back in ol' Tennessee

She was sent to me from God above

Now the moon is shining bright it lights my pathway tonight

Back to the only one I ever loved

Keep on the sunny side of life
It will help us every day it will brighten all the way
If we keep on the sunny side of life.**

Brushing hopes that we've cherished so dear
Cloud and storm will in time pass away
The sun again will shine bright and clear.**

Though the moments be cloudy or fair
Let us trust in our Saviour away
He keepeth everyone in his care**

SWEETHEART, YOU'VE DONE ME WRONG

**You told me that your love was true
Sweetheart, I thought the world of you
But now you left me all alone
I have no one to call my own**

(Chorus)

**Now sweetheart, you've done me wrong
You have left me all alone
Maybe there will come a time
Sweetheart, when you will change your mind**

**I never shall forget the day
When you said you were going away
I couldn't believe that it was true
After all the love I had for you**

**This road is rough and rocky too
As I travel on, dear, without you
But I'm still praying for the time
Sweetheart when you will change your mind**

TAKE THIS HAMMER

TENNESSEE MOUNTAIN HOME

Sittin' on the front porch on a summer afternoon
In a straight-back chair on two legs leaned against the wall
Watch the kids a-playin' with June bugs on a string
And chase the glowin' fireflies when evening shadows fall

(Chorus)

In my Tennessee mountain home
Life is as peaceful as a baby's sigh
In my Tennessee mountain home
Crickets singing in the fields near by

Honeysuckle vines cling to the fences along the lane
Their fragrance makes the summer wind so sweet
And on a distant hilltop an eagle spreads its wings
And a songbird on a fence post sings a melody

Drivin' home from church on Sunday with the one you love
Just laughin' 'talkin' makin' future plans
And when the folks ain't lookin' you might steal a kiss or
two
Just sittin' in the porch swing holdin' hands

THANKS A LOT

(Chorus)

**THANKS THANKS A LOT
I GOT A BROKEN HEART AND THAT'S ALL I GOT
YOU MADE ME CRY AND I CRIED A LOT
THEN YOU WERE GONE HONEY THANKS A LOT**

**YOU TOLD MY FRIENDS AS I WAS PASSIN' BY
THAT YOUR NOT SORRY THAT YOU MADE ME CRY
YOU SAID I DESERVED EVERYTHING I GOT
IF THAT'S THE WAY YOU FEEL HONEY THANKS A LOT**

**YOU WANTED A FOOL AND I PLAYED THE PART
ALL I GOT IS A BROKEN HEART
WE LOVED A LITTLE AND YOU LAUGHED A LOT
THEN YOU WERE GONE HONEY THANKS A LOT**

**I JUST NEEDED YOUR LOVE
HONEY THANKS A LOT**

(THE) OLD HOME TOWN

**To night my heart is lonely for the folks back home
Where I left my mother and daddy all alone
There's been a lot of changes since I been around
I'd like to wander back to the old home town**

(Chorus)

**You'll never miss the home folks until you've gone away
Then you'll need a friend to help you every day
Then you'll call on mother but she won't be around
I'd like to wander back to the old home town**

**I've searched this whole world over since I've been around
I've never found a place just like the old home town
If I could live life over I'd never roam around
I'd like to wander back to the old home day**

THESE OLD BLUES

(Chorus)

**These old blues they got me down
Since my sweet thing she ain't around
I'm so blue blue as I can be
Just as blue as the deep blue sea**

**Got up this morning I was feeling blue
Couldn't sleep last night, just thinking of you
Tossed and turned tears in my eyes
Wondering why you said goodbye**

**Now she's gone what can I do
It's too late to start anew
For true love is hard to find
It's too late to turn back the time**

TILL THE END OF THE WORLD ROLLS 'ROUND

(Chorus)

**Till the end of the world rolls 'round I'll keep on loving you
As long as the sun goes up and comes down
And the big blue sky goes down to the ground
As long as the world goes round and round I'll keep on
loving you**

**I tried to sail the sea of life I rowed my boat alone
Your love meant nothing to me dear my heart was made of
stone
To a harbor filled with loneliness my little boat was moored
And on the day I first met you I fell right overboard**

**Whenever you're around me dear my heart just won't stand
still
And when it comes to kissing you I'll never get my fill
They said I'd never settle down that I would always roam
That I could never be the type for a loving wife and home**

**So now I know the way I felt was only selfish pride
I thought my heart was fireproof but you burned your way
inside
So tell me what I've got to do and tell me how it stands
The cards are on the table dear my life is in your hands**

TOM DOOLEY (Doc Watson version)

**Hang down your head Tom Dooley
Hang down your head and cry
Killed poor Laura Foster, You know you're bound to die**

**You took her on the hillside, As God almighty knows
You took her on the hillside, And there you hid her clothes**

**You took her by the roadside
Where you begged to be excused
You took her by the roadside
Where there you hid her shoes**

**You took her on the hillside, To make her your wife
You took her on the hillside, Where there you took her life**

**Take down my old violin, And play it all you please
At this time tomorrow, It'll be no use to me**

**I dug a grave four feet long, I dug it three feet deep
And throwed the cold clay o'er her
And tramped it with my feet**

**This world and one more than, Where do you reckon I'd be
If it hadn't been for Grayson, I'd a been in Tennessee**

WALK SOFTLY ON THIS HEART OF MINE

**You say you're sorry once again dear
You want me to take you back once more
You say you need a helping hand dear
But that's what you told me once before**

(Chorus)

**Walk softly on this heart of mine love
Don't treat it mean and so unkind
Let it rest in peace and quiet love
Walk softly on this heart of mine**

**I know you soon will find a new love
I feel your heart is turned to stone
But please let me down real easy
For loneliness moves in as you move on**

WAY DOWNTOWN

**Well late last night when Willie came home
I heard him a-rapping on the door
Slipping and a-sliding with his new shoes on
Willie don't you rap no more**

(Chorus)

**Oh me, oh my
What's gonna become of me
Been downtown, a fooling around
No one to cry for me**

**I like the hills of West Virginia
I like the hills of Tennessee
North, south, east or west
It's home sweet home to me**

**It's one old shirt is all I have
And a dollar is all I crave
Ain't brought nothing with me into this world
Ain't gonna take nothing to the grave**

WHAT DOES THE DEEP SEA SAY

**Where is my sailor boy
Oh where is my sailor boy
He lies on the bottom of the deep deep sea
And he can't come back to me**

**Please tell me deep blue sea
Is he sleeping peacefully?
The wind from the north is blowing icy cold
Please keep him warm for me**

**(Chorus)
What does the deep sea say
Oh what does the deep sea say
It moans, it groans, it flashes and it foams
And rolls on its weary way**

**I stand on the beach alone
And gaze at the misty blue
Deep sea as you hold him to your breast
Does he mention my name to you**

**If only my dreaming soul, Some token of love could find
If only a wave would show my where he sleeps
Then I'd leave this world behind**

**A beautiful rose one day, I placed on the crest of a wave
Deep sea take it please
And lay it so it falls above his watery grave**

**The driftwood I watched in vain
My rose never came back again**

**Deep sea take another message to my love
Saying I'll meet him above**

WHEN MY BLUE MOON TURNS TO GOLD AGAIN

**Memories that linger in my heart
Memories that make my heart grow cold
But some day they'll live again sweetheart
And my blue moon again will turn to gold**

(Chorus)

**When my blue moon turns to gold again
When the rainbow turns the clouds away
When my blue moon turns to gold again
You'll be back within my arms to stay**

**The lips that used to thrill me so
Your kisses were meant for only me
In my dreams they live again, sweetheart
But my golden moon is just a memory**

**The castles we built of dreams together
Were the sweetest stories ever told
Maybe we will live them all again
And my blue moon again will turn to gold**

WHEN YOU ARE LONELY (F)

I
Oh I'm thinking of you, little darling

V
On the day that we first met

I
And those words sweetheart that you told me

V I (I7)
I'm sure I'll never forget

(Chorus)

IV I
Oh, someday, sweetheart, when you're lonely

V
And have no one to care for you

I
Remember the heart you have broken

V I
And the one that has loved you so true

You told me that you always would love me
That no one could ever come between
But it seems to me you've forgotten
All those things you told to me

I'll forget all those things that you told me
And try to start our life anew
But remember the heart you have broken
And the one that has loved you so true

WHITE HOUSE BLUES

**McKinley hollered , McKinley squalled
Doc said A“McKinley I can't find the cause
You're bound to die, you're bound to die**

**Doc told the horse, he'd throw down his rein
He said to the horse you gotta outrun this train
From Buffalo to Washington**

**The doc came a-running, he took off his specs
Said A“Mr Mckinley better cash in your checks
You've bound to die, you're bound to die**

**Look here, you rascal, you see what you've done
Shot down my husband and I've got your gun
I'm carrying you back, to Washington**

**Well, Roosevelt's in the White House, doing his best
McKinley's in the graveyard taking his rest
He's gone, for a long time**

WHO WILL WATCH THE HOME PLACE

**Leaves are falling and turning to showers of gold
As the postman climbs up our long hill
And there's sympathy written all over his face
As he hands me a couple more bills**

(Chorus)

**Who will watch the home place
Who will tend my hearts dear space
Who will fill my empty place
When I am gone from here**

**There's a lovely green nook by a clear-running stream
It was my place when I was quite small
And it's creatures and sounds could soothe my worst pains
But today they don't ease me at all**

**In my grandfather's shed there are hundreds of tools
I know them by feel and by name
And like parts of my body they've patched this old place
When I move them they won't be the same**

**Now I wander around touching each blessed thing
The chimney the tables the trees
And my memories swirl 'round me like birds on the wing
When I leave here oh who will I be**

WHY DON'T YOU TELL ME SO

**I can tell by the look in your eyes
That you still care for me
But somehow you just won't admit
And that's why I'm lonesome you see**

(Chorus)

**Now if you have made up your mind
And if you still want me you know
Why do you keep me in doubt
Why don't you tell me so**

**Each night there's tears upon my pillow
And they're all because of you I know
Darling I can't go on this way
Why don't you tell me so**

**Now there'll come a time little darling
When you will want me you know
But darling, it will then be too late
For you to tell me so**

WILD BILL JONES (B)

I
As I went now for to take a little walk
I came upon that Wild Bill Jones
(He) was a-walking and a-talking by my true lover's side
And I bid him to leave her alone

He said my age is twenty-one
Too old / to be controlled
I pulled my revolver / from my side
And I destroyed that poor boy's soul

He reeled and he staggered, and he fell to the ground
And then he gave one dying moan
He wrapped his arms around my little girl's neck
Saying "Honey, won't you take me home"

So put them handcuffs on me boys
And lead me to that freight car gate
I have no friends or relations there
No-one for to go my bail

So pass around that old long necked bottle
And we'll all go on a spree (hi, hi, hi)
Today saw the last of that Wild Bill Jones
And tomorrow will be the last of me

They sent me to prison for twenty long years, This poor boy longs to be free
But Wild Bill Jones and that long-necked bottle, Have been the ruin of me

Will there be any stars in my crown

In the strength of the Lord let me labor and pray
Let me watch as a winner of souls
That bright stars may be mine in the glorious day
When His praise like the sea billow rolls

O what joy it will be when His face I behold
Living gems at His feet to lay down
It would sweeten my bliss in the city of gold
Should there be any stars in my crown

WILL YOU BE SATISFIED THAT WAY

**We've been together for so long
It hurts to know your love is gone
Here's all my lonely heart can say
Will you be satisfied that way**

**Will you be satisfied to roam
Will memories fade when you are gone
A new love led your heart astray
Will you be satisfied that way**

**It's hard to stay when is cold
So often that this story's cold
I'm not asking that you pity me
Will you be satisfied that way**

**Will you be satisfied to know
You left a heart that's beating low
Somehow somewhere you'll have to pay
Will you be satisfied that way**

**Deep down inside I'll love you yet
I've suffered but there's no regret
Love can't be bought it must be free
Will you be satisfied that way**

**Will you be satisfied to roam
Will memories fade when you are gone
A new love led your heart astray
Will you be satisfied that way**

YOU ARE RUNNING WILD

**You're running wild
How long can this go on
You're leaving me alone
And running wild**

**You're always gone
My love you never share
It's more than I can bear
You're running wild**

**(Chorus)
You'll settle down someday
And find I've gone away
You'll think of what you've done
While running wild**

**I can't go on
You'll have to choose the way
You'll have to go or stay
Stop running wild**

You're running wild

YOUR SELFISH HEART

**I'm going away to stay awhile
Just to ease my worried mind
You never cared for me my love
So I'm leaving you behind**

(Chorus)

**It's been this way so long my dear
Why can't you understand
Your selfish heart broke up our home
Just for another man**

**I tried to live my life alone
All through these lonely years
I keep your picture here with me
Just to dry these bitter tears**
